GENERAL INFORMATION

NOTE: When an emergency arises, **do not dial 9-1-1!** The emergency center screen would not show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through The University of Memphis Police Services dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Police Services will have the caller's location displayed. This procedure ensures emergency aid routing to the correct location.

IMPORTANT NOTICE REGARDING DIRECTORY INFORMATION

The following student information has been designated "Directory Information" by University officials: name, address, telephone number, date and place of birth, academic major, dates of attendance, degrees(s) awarded and the most recent previous educational institution attended by the student. This information will be released upon request to interested parties unless the student has provided a signed statement to the Records Office, 115 Administration Building, within 14 days of the beginning of classes each semester requesting that such information not be released.

CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities at The University of Memphis, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Our campus radio station, WUMR (FM 91.7), will be notified first. Also, the University's Information Line **(678-0888)** will have official statements. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each University division. Cancellations may not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (The U of M Procedure 2A:16:01A)

THE DRUG-FREE SCHOOLS AND COMMUNITIES ACT (UNIVERSITY POLICY 1:2D:05:13)

Students and employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, use or being under the influence of controlled substances (illicit) drugs and/or alcohol on The University of Memphis campus or on property owned or controlled by The University of Memphis or as a part of any University-sponsored activities.

All students and employees are subject to applicable laws related to this matter and any violation of this policy will result in disciplinary action up to and including expulsion or termination of employment with the University and referral for prosecution or mandatory satisfactory participation in a drug/alcohol abuse assistance or rehabilitation program.

The University of Memphis is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor's, first professional, master's, educational specialist's and doctor's degrees.

TELECOMMUNICATIONS SERVICES

Telecommunications Office • 101 Jones Hall • 678-2999

- Faculty and staff should get to know their **Communications Counselor.** One person in each department is specially trained to coordinate most departmental telecommunications needs with the Telecommunications Department.

- **Voice Mailboxes** are provided to all faculty and staff. Contact your departmental Communications Counselor for details.

- **Cellular Phones & Pagers** can be provided to faculty and staff for departmental use. Contact your departmental Communications Counselor for details, or phone us at 678-2999.

- **678-FAXX** is the FAX number to give out if you don't have your own fax machine. We'll call you when the fax has been received to ask if you want it delivered to you via campus mail or if you'd rather come pick it up at the Telecommunications Department in Jones Hall, Room 101. You are welcome to come by and use our FAX for outgoing faxes as well.

- **Conference Calls** with three or fewer parties can be set up on your phone without assistance. For conference calls with four to six parties, call the Operator at 678-2000 for assistance. For larger groups, a portable teleconference telephone is available. Call us at 678-2999 for details.

- **Tigerline Long Distance Calling.** Long distance calls may be placed from campus phones by persons assigned a Tigerline authorization code (see long distance dialing instructions below). Tigerline cards may be issued to faculty and staff for departmental long distance calling, and to faculty, staff and students for personal long distance calling from on campus.

STUDENTS

(compiled by Office of the Registrar, 115 Administration Building)

Information in the Student section of the Campus Telephone Directory is taken from data supplied by the students to the University. In order to ensure an up-to-date listing in next year's Directory, students should verify with the Office of the Registrar within the first fourteen calendar days after the beginning of the Fall Semester that information on file in that office is correct.

Currently enrolled students may withhold disclosure of the student information under the Family Educational Rights and Privacy Act of 1974. Students who do not wish to have directory information published must file notice in the Office of the Registrar. The University assumes that failure on the student's part to specifically request withholding directory information indicates the student's approval for the disclosure.

The student listings in the 2002-2003 Campus Telephone Directory are taken from the information on computer file in the Office of the Registrar.

You'll be flying in a jet maintained by Tommy.
When Tommy grows up, he'll be an aircraft mechanic. Perhaps he'll work on a jet that you fly in some day.
By then, the job will require an advanced knowledge of chemistry, physics, and trigonometry. Unfortunately, very few kids are being prepared to master such sophisticated subjects.
If we want children who can handle tomorrow's good jobs, more kids need to take more challenging academic courses. To find out how you can help the effort to raise standards in America's schools, please call 1-800-96-PROMISE. If we all pitch in and help, America will get where it needs to go.

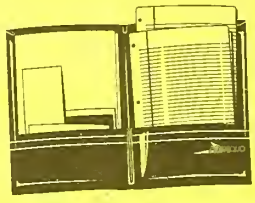
STUDY TIPS

If you've ever spent hours studying only to discover you haven't retained anything the next day, the following tips may help you to study more effectively.

WHEN & WHERE TO STUDY

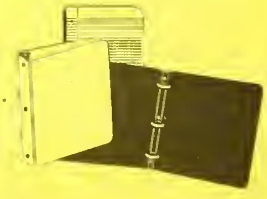
- It is recommended to study two hours for every hour spent in class.
- Establish a study schedule for each class and stick to it.
- Don't pull an all-nighter. You will retain more without wearing yourself out if you study in more regular, shorter sessions.



- Identify gaps in your schedule that can be used for studying. For example, the time between classes or waiting for a bus is perfect for reviewing notes.
- Set up a study area in a quiet place. Be sure to have everything you may need within reach.

STAYING FOCUSED

- Start each study session by setting goals. Prioritize your work by deadlines and by the amount of time the material will take to get through.
- Break up a study session with short breaks to stay alert. Get up and move around. Try incorporating breathing and stretching exercises to really get a fresh start.



- Eliminate distractions such as television or radio noise. Noisy roommates? Try the library or another study area on your campus.
- Make sure others respect your study time; learn to say no to demands that will interrupt it.
- Don't overdo it. Only do what is appropriate.
